

Military Police Corps

VISION: Military Police Soldiers are technically proficient in policing activities, corrections/detention operations, police/criminal intelligence operations as well as tactically proficient in field operations, area security, stability and civil support operations. The MP Corps is fully nested within the modular Army, the ARFORGEN process, and serves as the most demanded enabler for maneuver commanders as they conduct full spectrum operations at home and abroad.

MISSION: The Military Police Corps provides expertise in police, detainee, and stability operations in order to enhance security and enable mobility.
